The Gaslight Inn Bed and Breakfast

Though we can't promise to make all of your dreams come true, we can pledge our support to help make your wedding one that you and your guests will always remember as exceptional.

Whether you are planning a bridesmaid's luncheon, rehearsal dinner, wedding and reception, accommodations for visiting family and friends - or all of the above - The Gaslight Inn makes your special day unforgettable.

We strive for elegant simplicity and our staff stands ready to help each bridal couple with the creation of the wedding of their dreams. The Inn does not specialize in wedding planning but we can provide you with a list of caterers, florists, and photographers.

Flexibility, creativity and a commitment to quality and service—that's what we are all about.

We look forward to the opportunity to be a part of your wedding experience.

Our beautifully landscaped walled courtyard with water fountains and lush greenery will comfortably accommodate 30-35 guests in a casual atmosphere or 25-30 in a more formal setting such as a seated dinner or reception.

The elegantly furnished common areas of the Main House – Living Room (with fireplace), Dining Room (with mahogany Sheraton table), and Library (complete with baby grand piano) – are the perfect settings for a wedding ceremony or reception.
